Critical 2025 Election: As we sit here today, our Virginia, the birthplace of our Nation by the grace of God, is one election away from extinction and when it is lost, we will never know it again. We face one of the most critical battles our Commonwealth has ever faced; **Conservative Moral Common Sense versus Woke Progressive Liberal Insanity!** Democrat Spanberger if elected as our next Governor will make our Virginia the East Coast California. All Republicans and like-minded conservatives across our Hanover County and across our Virginia must come together this year with unwavering resolve and unity to save our Virginia. HCRC has taken on an extensive Community Engagement Initiative to get out the vote to elect Winsome Sears our Governor, John Reid our Lt. Governor and Jason Miyares our Attorney General in this upcoming General Election that starts on September 19, 2025. We need you to join with us, sign up to volunteer to help and spread the word. As soon as you get a chance, please send an email to newsletter@hanovergop.com with your name, email address, phone number and physical address (confidentiality will be respected) and someone from our Executive committee will be back in touch with you as soon as possible.
