

CRITICAL NEWSLETTER – PLEASE READ

A serious issue exists where the County has moved our Early Voting tent from its usual location on the south side of the Wickham Building to the less visible north side. Many voters are missing our Tent and voting before learning about our Candidates and the 3 Evil Constitutional Amendments; some later regret voting yes because they found the language misleading. The County has been alerted to this issue but to no avail.

Voters need to understand these Amendments' consequences and visit our Tent before voting.

We need your Help; Please share this message with everyone you know.

Early Voting Started 18th – 8:30AM-4:30PM – Wickham Building
