Ballot Questions Below; Deliberately Deceiving:

Why You Should VOTE NO:

ABORTION AMENDMENT:

BALLOT QUESTION: ***Should the Constitution of Virginia be amended to (i) protect the freedom to make personal decisions about prenatal care, childbirth, postpartum care, birth control, abortion, miscarriage management, and fertility care; (ii) protect doctors, nurses, and patients from being punished for these decisions; and (iii) allow for restrictions on access to abortion during the third trimester of pregnancy except when the patient's health is at risk or the pregnancy cannot survive?***

- *Allows a Child to have an Abortion or access to deadly drugs without Parent's Consent*
- *Shields any and all person(s) performing an Abortion from any prosecution or adverse action no matter the outcome.*
- *Deceitful: Actual inserted language "in the third trimester, provided that in no circumstance shall the Commonwealth prohibit an abortion (i) that in the professional judgement of a physician is medically indicated to protect the life or physical or mental health of the pregnant individual" (Virginia will be only state to create these limitless exceptions for Full-Term Abortion)*

MARRIAGE AMENDMENT:

BALLOT QUESTION: ***Should the Constitution of Virginia be amended to: (i) remove the ban on same sex marriage; (ii) affirm that two adults may marry regardless of sex, gender, or race; and (iii) require all legally valid marriages to be treated equally under the law?***

- *Abolishes God's Sanctity of Marriage*
- *Embeds Gender Ideology into Virginia's Constitution, allowing Males in Females' Restrooms, Locker Rooms and Sports*
- *Subjects Clergy and Churches to Years of Litigation*

VOTER RIGHTS AMENDMENT:

BALLOT QUESTION: ***Should the Constitution of Virginia be amended (i) to provide for the fundamental right to vote in the Commonwealth, (ii) to revise the qualifications of voters so that a person convicted of a felony is not entitled to vote during his period of incarceration but is automatically invested with the right to vote upon release from incarceration, and (iii) to update the existing prohibition on voting by persons found to be mentally incompetent to instead apply to persons who have been found to lack the capacity to understand the act of voting?***

- *Protects Violent Criminals and Illegals, Not Citizens*
- *Does not require Restitution*
- *Allows people deemed Mentally Incompetent to Vote*
- *Expands Opportunities for Vote by Mail Fraud*
